REF: Contract No. 82-N767300-000

Dear Paul:

In accordance with the procedure for editorial review stipulated in our contract, request approval for distributing copies of the study to professional and business groups. We would eliminate reference in the Preface to the CIA and contract number. We intend to charge a fee to cover printing and handling costs. We can also process requests from other government agency sources, if you wish.

Sincerely yours,

[Redacted]
